Dear Parent(s)/Guardian(s),

It is my pleasure to announce to you that the 2019 Summer Enrichment Program brochure is now ready and can be accessed online at www.dumontnj.org. We are looking forward to another fun and exciting Summer Enrichment Program this year. We have added several new courses and brought back many of the most popular ones.

To view the Summer Enrichment brochure, click on the Summer Enrichment tab, which can be found under the Quick Links tab on the Dumont Public Schools homepage. You must download and print the registration page, the photo authorization page, and the medical information page. All three pages, along with your check made out to Dumont Board of Education, must be completed and returned ***in person*** to Selzer School in order to register. For those of you who may not have Internet access, there will be a limited number of printed brochures available in the main office of each of the elementary schools, as well as in the Dumont Board of Education building.

If you should have any questions or need assistance, please call Ms. Jacqueline Bello at (201) 387-3030.

Sincerely,

Jacqueline Bello
Vice Principal, Selzer School
