Dear Parent/Guardian:

As part of the Title I program under the *Every Student Succeeds Act (ESSA)* legislation, there is a requirement that the parents/guardians of all students who are serviced using Title I funds meet annually to review the program and discuss any changes. Title I is a program using federal funds to supplement the education of students in need of remedial services.

In Dumont, we use the funds in our Basic Skills Program. Your child is presently receiving additional services in language arts and/or math through this program. We will be holding our annual meeting to review the program, our parent involvement policy, and to give information regarding the continuance of the program in the 2021/2022 school year. The Title I Parent Involvement policy is attached for your review. You are also invited to attend a meeting to learn more about the program and to give any input regarding Title I. This meeting will be held in the Honiss Media Center on October 13, 2021 at 6:30 p.m. If you plan on attending the meeting, please RSVP to Stephanie Martin in the Curriculum Office via phone 201-387-3075 or email at emartin@dumontnj.org. For the safety of all participants, masks are required and visitors will be screened, including a temperature check, prior to joining the meeting.

If you have any additional questions, please feel free to contact my office.

Sincerely,
