

Dear Parents and Students,

We hope that you and your families are well. I would like to share the book distribution dates, times, and procedures for students who opted for "Virtual-Only" instruction in a remote setting. In order to provide for an efficient and organized process, please arrive on your assigned date at your designated time:

Parents and students may only come on school property while masked on their assigned dates and times.

- Parents/students should enter the large parking lot, and cars should remain in line to follow the established traffic pattern.
- Parents/students should be prepared to exit their cars and pick up books from the distribution table.
- As soon as books are distributed, we ask that you immediately leave school grounds.

As indicated, if you are picking up for one student, you may also pick up siblings' books at the same time for your convenience. Dumont High School will be in touch in the case of inclement weather via email. Students attending school via our hybrid model will be receiving their books when they attend their classes. If you have any questions, if these times present a problem for you, or if you do not have access to a vehicle, please contact the D.H.S. Main Office so that we can arrange alternative plans for you.

Thank you.

Jim Wichmann, Principal  
Dumont High School
