

Welcome to AP Psychology!

- All questions and concerns related to this assignment should be directed to Ms. Johnson Curry before Monday, June 21, 2021.
- If any questions or concerns should arise over the summer, please email your teacher and content supervisor.
  - Ms. Johnson Curry, Psychology Teacher: [djohnsoncurry@dumontnj.org](mailto:djohnsoncurry@dumontnj.org)
  - Mrs. McDonough, Supervisor of ELA & SS: [dmcdonough@dumontnj.org](mailto:dmcdonough@dumontnj.org)

**All summer assignments are due Friday, September 10, 2021 at 8am.**

**There will be two parts to your summer assignment submitted via Google Docs. An assessment covering major historical figures in psychology (Part 1) and an assessment covering psychological terms/approaches in explaining behavior (Part 2) will be given during the second week of school. It is important to note that all material covered throughout the year in AP Psychology is reviewed/assessed on marking period cumulative assessments.**

1. Identify the research contributions of the following major historical figures in psychology via internet research. Document your source for each figure by providing the web address. This work will be typed and submitted via Google Doc and count as a homework assignment. Ten points deducted for every day late.

  2. Charles Darwin
  3. Dorothea Dix
  4. Sigmund Freud
  5. G. Stanley Hall
  6. William James
  7. Ivan Pavlov
  8. Jean Piaget
  9. Carl Rogers
  10. B.F. Skinner
  11. Margaret Floy Washburn
  12. John B. Watson
  13. Wilhelm Wundt
2. Describe the following psychological terms and approaches in explaining behavior. Document your source for each term by providing the web address. This will be typed and submitted via Google Doc and count as a homework assignment. Ten points deducted for every day late.
  1. Structuralism
  2. Functionalism
  3. Behaviorism
  4. Gestalt
  5. Psychoanalytic/psychodynamic Approach
  6. Humanistic Approach
  7. Evolutionary Approach
  8. Biological Approach
  9. Cognitive Approach
  10. Biopsychosocial Approach
  11. Sociocultural Approach
