Dear Dumont High School Parents & Staff:

I am pleased to inform you that our high school auditorium asbestos abatement project has been completed and the building has been cleared for reopening on Tuesday, September 7. Students will report for the first day of the school year on Wednesday, September 8 as scheduled.

During the next few weeks, the auditorium will remain closed to complete the installation of a new drop ceiling and overhead lights. It is anticipated that this space will be available for general use at the end of the month.

If you have any questions, please feel free to contact my office.

Sincerely,

*Maria Poidomani*
