Supervisor of Health/Phys. Ed

January 4, 2022

Dear Dumont Community:

Due to the recent surge in COVID-19 cases in our county, the Dumont School District will be implementing the following spectator guidelines effectively immediately for all home athletic events. Additionally, we are implementing daily screening and temperature checks for our student-athletes. These measures are put in place to allow our student athletes to participate in their respective sport as safely as possible, while we await any guidance from the Bergen County Department of Health and/or the NJSIAA.

For our athletic events occurring at opposing schools, we will follow the home team protocols.

Updated COVID-19 Winter Sports Guidelines:

1. Everyone in attendance must properly wear a mask that covers the nose and mouth while in the building. There are no exceptions.
2. **Only TWO Parents/Guardians per athlete will be permitted for any game/match. This applies to both home and away teams.** Spectators will check in upon arrival, as well as be screened and have their temperature taken. ( No accompanying siblings or school-aged students will be permitted).
3. For those fans unable to attend home games, we will continue to stream via our Youtube channel. The link can be found on the athletic schedule online.
4. No food or drink will be permitted in the gymnasium.
5. Spectators must immediately exit the gym upon completion of the event. For example, if a spectator is attending the Junior Varsity game, they must exit the gymnasium upon completion of that game. This holds true for all levels.
6. **Student Athletes will be required to complete a daily screening form via the Google link that will be provided by their coaches and can be found on our Athletic page. This and a temperature check will be required for daily participation.**
7. There will be no admittance fee to attend the athletic events.

These guidelines are subject to change as we receive additional information and/or guidelines and mandates from the Bergen County Department of Health and the NJSIAA. Lastly, all of our guidelines and procedures will be reviewed on a weekly basis.
