

Student-Athlete Code of Conduct
CONTRACT

I, _____ hereby agree to the terms and conditions set forth in this agreement on attitude, behavior and conduct. As a student-athlete at Becton Regional High School, I understand that participation in the athletic programs is a privilege. In order to continue enjoying that privilege I must adhere to attitude, behavior and conduct guidelines set forth by the Athletic Department and Administration of the high school. Failure to comply with these rules will result in athletic participation privileges being revoked for the remainder of the season in which the conduct offenses take place. This contract is being tendered due to a failure to obey school rules and procedures. A second offense will result in the above stated penalty phase. The distribution of this contract and the penalty phase of the student-athlete code of conduct are to be determined by the Principal, Teacher on Assignment and Athletic Director. This is a, "two strikes and you are out" policy. Student-Athletes will be held to a higher standard regarding their attitude, behavior and conduct while in school. It is a privilege to represent the school in athletic contests and this privilege cannot exist for students who cannot conduct themselves properly during the school day.
